It seems that Mr. Mayo had gone out of his office for a few minutes, and on his return he found the drawer to his safe open and the money missing. The thief was most probably familiar with the office, because a street carnival was in full blast only a short distance away, and the office was on the ground floor, in the front of the building, and people were constantly passing.

The police are at work on the case, but as yet there are no clues to the guilty ones.
